Preparing for two weeks to give a 15-minute presentation to a room of 5 people all on their laptops.

Quickly trying to peek at someone's badge as I shake their hand, but it's flipped backwards.

The great firewall of China.

Taking oncall selfies.

Committing to the wrong branch.

The North Korean Cryptographic Standard.

The awkward question the chair asks when nobody understood the talk.

The awkward silence of 8 people standing in a circle during the afternoon coffee break.

Thanking the anonymous reviewers for their "useful" comments.
